

CyberKnights Portal Privacy Notice

Thank you for visiting the CyberKnights Portal, which is operated by Rofori Corporation. Your access to and use of this CyberKnights Portal is subject to the following Privacy Notice. We are committed to protecting your personal information and being transparent about what information is held and how it is used.

We understand your concerns about privacy and assure you that we take privacy matters seriously. Therefore, we are providing this Privacy Notice to explain our online information practices and the choices you can make about the way your information, including your Personally Identifiable Information, is collected and used. If you have questions regarding this Privacy Notice, you may direct them to support@cyberknights.us

By submitting information to us and/or by using our CyberKnights Portal you give your consent that all information that you submit, including your Personally Identifiable Information, may be processed as described herein. If you do not agree to be bound by this Privacy Notice, you may choose to not access or use this CyberKnights Portal website.

This policy explains our practices concerning the collection, use, and disclosure of your information. The information we collect will be used only as outlined in this Privacy Notice.

Any arrangement to share your data with a third party in support of a CyberKnights-approved activity will be subject to a formal agreement between the CyberKnights affiliate engaged in the activity and that organization to protect the security of your data. We reserve the right to review and approve all such agreements.

CyberKnights websites may collect and use your information in different ways. Therefore, you should carefully review this privacy policy. Rofori Corporation is not responsible for the content of other websites or for the privacy practices of websites outside the scope of this policy.

Because internet technologies continue to evolve rapidly, we may make appropriate changes to this Privacy Notice in the future. Any such changes will be consistent with our commitment to respecting your privacy and will be clearly posted in a revised Privacy Notice.

Data We Collect and Hold

A significant proportion of the information we hold is that which you provide to us; for example, you may give us information by inputting the following information into the CyberKnights Portal.

- Full Name
- Personal Mailing Address
- Email
- Telephone Number
- Gender
- Education Level
- Employment Status

NOTE: Some of this data will be collected if an employer hires you to work at their place of business.

Voluntary Collection

We may ask you to provide personal information voluntarily, such as through the CyberKnights Portal, forms or other manual input that an employer may ask you to complete. This information is generally retained as long as you continue to maintain a relationship with us or for longer retention periods as required by law. Providing this information to us is wholly voluntary. However, not providing the requested information (or subsequently asking that the data be removed) may affect the CyberKnights Portal ability to serve you or your ability to use a particular service or feature on the CyberKnights Portal, such as highlighting certain features for employers to identify talent and employer supporting the career development of its employee through various tools the CyberKnights Portal offers.

Providing the requested information indicates your consent to the collection, use, and disclosure of this information as described in this Privacy Notice. Information we may request includes, but is not limited to:

- Race
- Ethnicity
- Date of Birth
- Veteran Status
- Security Clearances
- Prior Certifications
- Other Personal Information
- Soft Skills Assessments and Results Scoring
- Hard Skills Assessments and Results Scoring

NOTE: This site will not collect information on your academic performance, like grades associated with your coursework or scores from certification exams. KSA Assessment for Career Development will be collected and sharing the mastery of your cybersecurity knowledge, skills, and aptitudes with employers for the purposes of your career development is strictly voluntary on your part.

Information Sharing

We may share aggregate, non-personally identifiable information with other entities or organizations. We may share personally identifiable information with other entities or organizations, such as agents or contractors, under the following circumstances to:

- To assist in providing support for our internal operations
- When legally required to do so, at the request of governmental authorities investigating, to verify or enforce compliance with the policies governing our CyberKnights Portal and applicable laws, or to protect against misuse or unauthorized use of our website

We may provide your personally identifiable information to:

- Educational Institutions
- Employers participating in the CyberKnights Portal program
- Cybersecurity Training Providers
- Cyber range vendors for purposes of laboratory exercises and KSA assessments
- Vendors providing portal support
